READERS’ BREW
This coffee was fresh roasted and packaged exclusively for Maryland Library Association by Cabin Creek Roasters

The Maryland Library Association (MLA) is the heart of Maryland’s libraries. **Our blend of academic, public, school, and special libraries offers a strong brew** of professional training programs, advocacy initiatives and networking opportunities. This infusion enables library staff from across the state to learn, share and grow. MLA members benefit by tapping into different facets of the organization according to their needs, tastes and preferences. 20% of the purchase price of this specialty blend goes directly to MLA to help enrich its programs and services. Thank you for enjoying this coffee and supporting MLA. For more information about MLA please visit [www.mdlib.org](http://www.mdlib.org).

Reader’s Brew is 100% Arabica Coffee grown in Guatemala and fresh roasted by our Roastmaster at Cabin Creek Roasters. This Fair Trade and Organic coffee, a blend of Bourbon, Caturra, Catuai beans, evokes ripe cherries in balance with chocolate and spices. In the cup it produces a mild, balanced coffee with nice body, and excellent floral tones and fruitiness. Enjoy this unique coffee while enriching the programs and services of the Maryland Library Association.

Margaret’s Choice is 100% Arabica Coffee grown in Brazil and fresh roasted by our Roastmaster at Cabin Creek Roasters. The varieties used to produce this bird friendly coffee are among the highest quality producing Arabica beans available: Yellow and Red Bourbon, Yellow and Red Catuai, and Red Mundo Novo. In the cup it produces stable and naturally medium body with berries, dark chocolate and a hint of nuts. The stability and sweetness of this coffee makes for a rich taste that lingers smoothly in the aftertaste. Enjoy this unique coffee while enriching the programs and services of the Maryland Library Association.

Dewey’s Decaf is 100% Arabica Coffee grown in Mexico and fresh roasted by our Roastmaster at Cabin Creek Roasters. This Swiss Water Processed Decaf produces a smooth/rich cup with a very strong chocolate bottom and a little sweeter top for a medium/full body taste. All this taste makes it hard to believe that it’s decaffeinated. Enjoy this unique coffee while enriching the programs and services of the Maryland Library Association.
