Come As You Are
May 4-6, 2022 Hyatt Regency, Cambridge MD***

After two years of virtual conferences, a very successful in-person conference took place. We are hearing from so many people how happy they were to finally see people and network face to face. The social activities brought out a strong competitive spirit in many people and challenges have been set for events next year. Mark your calendars, the 2023 Conference will begin on Wednesday, May 10th and conclude on Friday, May 12th.

Law on the Frontlines: Legal Reference for Public Libraries

Through an institutional partnership, the Thurgood Marshall State Library, the Maryland Access to Justice Commission, and the Conference of Maryland Court Law Library Directors have developed a standardized state-wide curriculum for legal reference. In collaboration with the Maryland State Library since 2017, the curriculum is offered to public library systems to enable and empower public library staff across Maryland to provide quality legal reference in their local communities, ensuring that the law is accessible to every Marylander who needs it. The Spring 2022 Schedule is set for March through May and you can sign up for all or individual sessions.

For each completed training, a Certificate of Completion indicating Contact Hours will be provided.
