**Location:**  Prince George's County Memorial Library System (PGCMLS)

**Job Title:**  Librarian III, Children's Services in Hyattsville, MD

**Responsibilities:**  The Prince George's County Memorial Library System (PGCMLS) is seeking a community focused, innovative, and experienced librarian to lead the Children's Services Department in Hyattsville, MD. Selected candidate must have strong interpersonal service skills, robust programming experience, broad knowledge of the children's collection and strong readers' advisory skills for children and parents. Written and oral fluency in English and Spanish is strongly preferred. The Librarian III supervises the day-to-day operations of an information department, ensures quality reference and readers' advisory services, and oversees essential department operations, including promotion of library services, programs, and access to resources.

**Requirements:**  ALA accredited Master's degree in Library/Information Science.  
- Maryland Public Librarian Certification required within six-months of hire.  
- Three years of professional library experience to include staff supervision.  
- Written and oral fluency in English and Spanish preferred.  
- Strong outreach focus with deep understanding of local community.  
- Ability to work with a wide variety of people with differing needs, skills, and priorities; strong record of teamwork.  
- Considerable knowledge of literature, reference and information materials, publishers, and periodicals.  
- Knowledge of public library reference tools, including web and database searching.  
- Strong oral and written communication skills; excellent interpersonal skills.  
- Excellent organizational and program management skills.  
- Experience with collective bargaining is a plus.

**Salary Range:**  $69,704.30 Salary/year
